

LineVision Inc.
444 Somerville Ave
Somerville, MA 02143 USA

Position: Supply Chain Manager

At LineVision, we use advanced sensors and analytics to monitor, optimize, and protect the world's critical energy delivery infrastructure. We are a rapidly growing technology company, helping utilities around the world to increase the flexibility, efficiency, and safety of their grids for a cleaner and electrified future.

We are seeking a Supply Chain Manager to join our growing team. You will be an integral member of LineVision's operations team, working closely with our contract manufacturers, suppliers and logistics partners, internal and client teams, to ensure smooth and timely execution of all fulfillment orders.

This is your opportunity to play an important role in helping build operational excellence into a company that is changing how utilities around the world expand and operate their electric grid and pipeline assets.

At LineVision, we value and benefit from the wide-ranging perspectives that come from a diverse and inclusive work environment. We encourage all qualified candidates to apply, particularly those from groups that are under-represented in the energy sector.
